## **President's Corner:**

I walked into a restaurant the other day and sat in a booth adjacent to one occupied by a couple older gentlemen. One wore a ball cap identifying him as a Marine Corps veteran from World War 2. I was wearing my Patriot Guard skull cap, or do-rag as some might call it and I noticed the Marine had been looking at it with obvious interest. He introduced himself as Bill and said "I've heard of you. You're the guys who attend military funerals and keep demonstrators away from the families." "Yes sir," I replied. He smiled, extended his hand and said thank you for being there. I told him that the only reason why we of the Patriot Guard, and all Americans, are here is because YOU were THERE. Bill's silent appreciation was deafening. We ended up talking about a number of issues and he brought up a couple outstanding points that I felt are worth sharing. The first was that far too many people have forgotten what it means to be an American and how to do it. He also said that if Americans ever allow their right to keep and bear arms to be taken from them, America will no longer be the land of the free, the land that he and all veterans fought and died for. He prays this never happens. What can you and I do to help protect this right? Become active, write and call your representatives, and join the National Rifle Association.

"Patriotism means to stand by the country. It does not mean to stand by the president or any other elected official."

Theodore "Teddy" Roosevelt

## **Member Suspended**

**On May 8 the Chillicothe Sportsmen's Club Board of Directors imposed a 60 day suspension of a member's Club privileges and a requirement that he attend the New Member Orientation class for a safety violation on the part of his guest. Let this be a reminder that the handling of firearms when people are down range is unsafe and violates club rules. Each and every CSC member is responsible for the actions of any guest(s) brought to the Club. Although this was an unfortunate situation, our commitment to safety remains paramount. Let's all work together to make sure we do not have to take this action again.**

## **CSC Rifle Team To Perform 21 Gun Salute**

**In honor of our veterans on Memorial Day weekend, CSC members will perform a 21 gun salute prior to the start of the Chillicothe River Run at 8:00A on Saturday May 26 at city park. A civil war cannon shot will signal the start of the race.**

## **Events (From Our Event Directors):**

## **June: 1911 Pistol Match**

To celebrate over 100 years of John M. Browning's legendary 1911 pistol, there will be a competitive match held exclusively for these firearms on Saturday June 2nd from 9:00am until 3:00pm. If the weather is nice, the match will be held on Range 1. If it's raining, we will use our indoor range in the lower level of the club house. The goal of this event is simply to have some fun with the world's finest pistols. The course of fire is simple and somewhat challenging, but not overly so. You do not have to be a highly experienced competitor to take part. All you need to join the fun is a single-action 1911 style pistol in a centerfire caliber, hearing and eye protection, a couple of magazines, a belt holster, and 50 rounds of ammunition (bring more ammo if you want to shoot the course more than once). The entry fee is only \$3. Each re-shoot is equally cheap, \$3. Prizes will be awarded. To receive an informational bulletin on the match, contact Kevin Hutchison at [blitzkrig@mtco.com](mailto:blitzkrig@mtco.com).

### **Trap:**

When activity is taking place on range 2 (trap range) the North end of the lake is off limits. There was recently a case of fishermen being in a dangerous position.

### **Cowboy Match:**

The latest results:

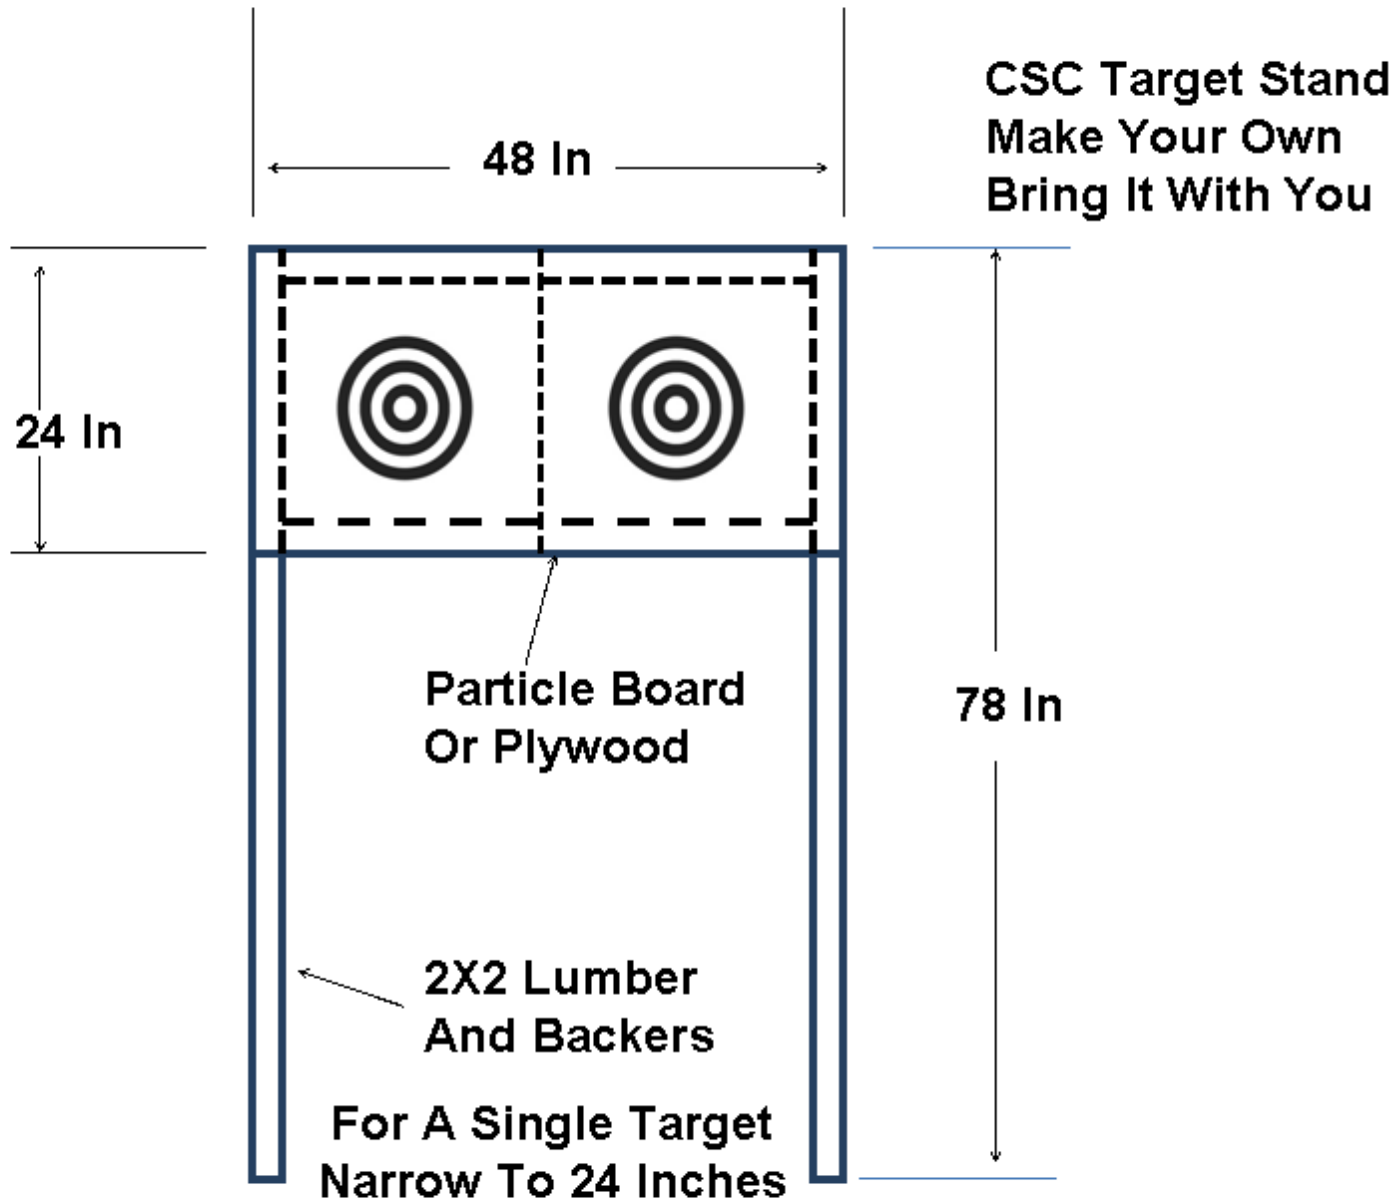

1<sup>ST</sup> Long Fingers (Troy Noble) 123.50 (Clean Score)

2<sup>ND</sup> Taquila Tab (Tab Bumgardner) 143.45

3<sup>RD</sup> Rance (Rodger Hopper) 152.34

**Members: Sorry for the monkey up on the target frame last month. Let's try this again**

**Members: Try This On Ranges 1 And 7.**

**The 24 inch model will fit in your car better**

## **And Finally:**

**I had the opportunity to visit the American Cemetery at Omaha Beach in Normandy on May 2. 10,000 of our boys are buried there, many of them 18-20 years old. Lest we forget on this Memorial Day weekend. God bless America!**
