Slide Fire Stocks, Bump Fire Triggers, Etc.

Just a reminder that the use of devices that mimic fully automatic fire need to be approved by the board of directors. Please appear before the board before doing so. We are concerned about muzzle climb and rounds exiting the property.

Supervision Of Youngsters

This is a reminder that if you bring your youngsters to the club with you, please make certain that they are properly supervised at all times. We recently had an incident that got us thinking about this issue. Thank you for your good judgment and responsibility.

Work Hour Opportunities/Work Parties:

Outdoor Work Party:

The next work party will be on June 7, 2014 at 8:00Am. We will be cleaning up trash and fallen tree limbs on all ranges. Bring rakes, shovels, and chain saws. We will need screw guns, saws, and hammers to make target frames.

Contact Steve Schneckenburger at 309-692-7807 or 657-0170 for more information.

Club Member Phil Burris:

Long time club member Phil Burris was seriously injured in a fall accident and spent several weeks in the hospital. He is now residing at Lutheran Hillside Village apartment 211. His phone number is 309-689-2275, and he would certainly like to hear from his shooting buddies.

1911 Pistol Match

There will be a 1911 pistol match on Saturday July 26 on range #1. The starting time is 9:00AM. This is a simple 50 round course of fire. In the event of bad weather, we will use the indoor pistol range.

There are two classes: military class and modified class (anything other than military). No optical sights, extended mags, and/or target style grips allowed. The range officials shall determine any eligibility issues. You must have a belt holster (no cross-draw or shoulder rigs) and at least a couple of magazines. The military class caliber is .45 ACP only. The modified class can be any center fire caliber.

Course fee is only \$3 and you may shoot as much as you want in one or both classes. Prizes will be awarded for both classes.

Contact Kevin Hutchison (657-1518) with any questions.

Name The Newsletter:

After several months of looking at newsletters from other clubs, I noticed that most of them have names. The X-Xing, the screamer, and the rangefinder are a few to mention. I think our newsletter needs a name. If you have any ideas please contact me. We may even cook up a prize for this.
