NOTICES & INFORMATION

Due to some previous miss-information, this is the current rule concerning bump-fire devices:

I. General Rules For All Ranges:

F. No Class 3 firearms allowed unless authorized by the Board. (Each use/event must be approved by the Board. Use of near full-auto devices (example: 'slide-fire', 'bump-fire', 'slam-fire', Tap-con trigger, et.al.) is not allowed due to safety issues. (07/2014)

New rule for Range 7 (300 yard range)

VIII: Range 7. 200 Meter-300 Yard Range:

F. Handguns are not allowed on Range 7 unless they can reach the closest berm (100 yard berm) or other berms that you are shooting at. Do not shoot any targets closer than 100 yards due to the possibility of rounds ricocheting off the property.

Shooting Times: No center-fire rounds can be shot before 7 A.M. and **NO** shooting after one-half (½) hour after sunset on any CSC Range except for special events or by Board approval.

Rim-fire Buffalo Matches: Monthly matches are temporarily suspended. It is hoped to have them resumed by the scheduled June date.

HIGH POWER MATCHES

What do I need to start shooting high power rifle competition at CSC?

- Hearing and Eye protection along with money for ammo and match fees. THAT'S IT!!!
 - This runs \$36 to \$41 for a 60 round draw of 223 with the match fee.
 - CSC has National Match AR-15's and Service Grade M1 Garand's available for borrowing at the match
 - 223, 30-06, and 308 ammunition available for very competitive prices at the matches.

When are the matches and what do the other competitors bring for equipment?

The matches are usually held on the 3rd Saturday of the month with the first relay starting at 8:30 AM, March through October. Watch the CSC Calendar.

- What other equipment (besides hearing and eye protection) do others bring?
 - Spotting Scope
 - Shooting mat - club has these available
 - Stapler
 - Shooting jacket - really all you need is something to protect your elbows in the prone position. A sweatshirt works fine.
 - Your own rifle and ammo. The usual guns are AR-15, M1 Garand, or M1A. The gun is required to have open sights (no optics allowed)
 - Rifle Sling
