## NOTICES & INFORMATION

**RANGES #3 thru #6c:** *Until the flood waters recede and the ground dries out PLEASE be careful when driving back to the Pistol Ranges. Safe parking & driving areas are extremely limited.*

**Range #7:** The Range is temporarily closed due to flooding. The Range will re-open when the water recedes and the ground dries out enough that vehicles can drive out to the 300 yard target area without getting stuck. Drive down and back using the right (railroad) side of the range.

**Range #7:** Remember to move the "Range Open/Closed Sign" to the "Range Closed" position when going down range to change targets. Also be sure to turn on the "Red Safety Light" when going down range. ADDITIONALLY, REMEMBER THAT NO ONE IS TO HANDLE ANY FIREARMS WHILE PEOPLE ARE DOWN RANGE CHANGING TARGETS. Upon returning from changing targets turn off the "Red Safety Light" & reposition the "Range Closed Sign" to the "Range Open:" position.

**Rim-fire Buffalo Matches:** Monthly matches are temporarily suspended. It is hoped to have them resumed by the scheduled June date.

**Women In The Outdoors:** Volunteers are needed to assist with this program on Saturday, August 27. Questions - call - Maria Geiger @ (309) 274-6823.

## **HIGH POWER MATCHES**

**What do I need to start shooting high power rifle competition at CSC?**

- Hearing and Eye protection along with money for ammo and match fees. THAT'S IT!!!
  - This runs \$36 to \$41 for a 60 round draw of 223 with the match fee.
  - CSC has National Match AR-15's and Service Grade M1 Garand's available for borrowing at the match
  - 223, 30-06, and 308 available for very competitive prices at the matches.

**When are the matches and what do the other competitors bring for equipment?**

The matches are usually held on the 3<sup>rd</sup> Saturday of the month with the first relay starting at 8:30 AM, March through October. Watch the CSC Calendar.

- What other equipment (besides hearing and eye protection) do others bring?
  - Spotting Scope
  - Shooting mat - club has these available

- Shooting jacket - really all you need is something to protect your elbows in the prone position. A sweatshirt works fine.
