Chillicothe Sportsmen's Club - NO Concealed Carry Business List

List of STATE REQUIRED No Concealed Carry (please refer to this list before submitting a business)

In order to be added to our list of NO GUN businesses, the following criteria must be met by the person reporting the sign:

- 1. As the caretaker of this list, the person reporting the sign must provide you with his/her name. We cannot accept any anonymous reports.
- 2. The person reporting the sign must have personally seen the sign themselves; we can't use second-hand information.
- 3. The person reporting this sign should report it directly to you (webmaster Tim).
- 4. The person reporting the sign must provide the establishment's name and address, and the date they saw the sign.
- 5. The establishment must be one whose owner or management have the lawful right to choose whether or not to allow concealed carry.
- 6. If the business that you, as the reporting source have identified as a NO GUN establishment, has changed their policy and removed the NO GUN sign, you must notify our webmaster, Tim Vik, without delay so that he can remove that business from our list.

The purpose of this list is to inform the membership of the Chillicothe Sportsmen's Club of businesses that prohibit the holders of Illinois-issued concealed handgun carry licenses from carrying concealed handguns while within their respective establishments. By statute, some organizations are required to post NO GUN signs. The CSC's list will not include these locations.

A great example of a letter to send to a business that restricts your 2nd Amendment Rights (Thank you Kevin!)
